LOGIN FORM AND REGISTRATION

MS Office – Access Application

Login and Registration Form written with Visual
Basic Code.

The screenshot displays a software interface titled "Nursing Evaluation Tool". It features a login and registration form set against a vibrant, abstract watercolor background in shades of purple, blue, and pink. The form includes two input fields: "User Name" with the text "userName" and "Password" with masked characters "*****". To the right of the "User Name" field is a red "Register" button. Below the "User Name" field is a red "Login" button. To the right of the "Login" button is a red "Exit" button.
